Several months work by a busy rodeo committee reaches its climax with the first annual Evergreen Rodeo on Friday and Saturday of this week. Committees for every phase of the weekend have done everything possible to ensure success -- the fate of the rodeo is now in the hands of nature. Sunny skies should provide the final ingredients for an outstanding success.

Activities of the rodeo weekend will get underway with a pancake breakfast at Blocks parking lot starting at 7:00 a.m. Friday. Another pancake breakfast will follow on Saturday morning at the same location.

Rotary Club members will be in charge of Friday's breakfast and the Elks on Saturday. Music will be provided at both breakfasts and patrons encouraged to sing-along or dance if they wish.

A parade, starting at 10:00 a.m., will be a highlight of Friday morning. Parade details and route are printed elsewhere in this issue.

Rodeo grounds will open on both days at 12:00 noon with infield events getting underway at 1:00 p.m.

Stock contractor Lawrence Sharkey has stated that cowboys from a wide area will be on hand to compete for prizes and trophies. Some of those who will be present are: Percy Gee, Edmonton; Dennis Kapp, Whitford; Ken Whitton, Irma; Howard Thompson, St. Albert; Butch Matkia, Edmonton; Duncan Lawrence, Marwayne; Vic Lawrence, Marwayne; Dallas Daron, Ponoka; Lavern Daron, Ponoka; Leroy Ness, Drayton Valley; Rick Goad, Edmonton; Al Bennett, Uncas; Don Melvin, Edmonton; Jim Tatterstal, Uncas; Garry Johnson,

WEDNESDAY, AUGUST 13, 1969

Municipal Affairs Minister Hon. Fred Colborne (centre) is shown here with Mayor Hank Shimbashi (R) and pilot Roy Burrows preparing to take off on a sight-seeing flight over Drayton Valley and surrounding area.

Municipal Affairs Minister Visits

Hon. F.C. Colborne, recently appointed Minister of Municipal Affairs, was a Drayton Valley visitor last Thursday and after meeting residents was conducted on a tour of oil industry installations in the area.

Mr. Colborne arrived here about 10:00 a.m. on the invitation of Town Council and at a noon luncheon in the Cardium Room met Council members, Chamber of Commerce officers, representatives of the farm community and Drayton Valley businessmen.

Lunch was followed by a round table discussion joined by those in attendance and the Minister. Many of the problems involving the town and surrounding area were discussed with Mr. Colborne showing a keen interest in local affairs introduced at the meeting.

Prime topic was the recent annexation of L.I.D. 77 by the Stony Plain M.D. and the creation of the new County of Parkland. Mr. Colborne, who was Minister of Public Works when the annexation took place, indicated he would acquaint him-

Theives got away with about $800 worth of merchandise in a break-in at Imperial Lumber in Drayton Valley on the long weekend.

Entry was gained by prying open a window sometime between 4:00 p.m. Sunday, August 3rd and 8:30 a.m. Monday, August 4th.

Machinery Lost In Farm Fire

Fire Saturday, August 2nd caused considerable damage to farm machinery on the farm of Ed Shaddeck on the river flats east of Rocky Rapids.

Lost in the blaze that broke out while a tractor was being refueled at the farm tank, were two tractors and a swather. A combine was also threatened but was pulled out of danger and saved.

Drayton Valley firemen responded to the alarm with the County of Parkland fire truck.

self with details of the annexation on his return to Edmonton.

Following the luncheon meeting Mr. Colborne and Mayor Hank Shimbashi were flown over the town and surrounding area by Roy Burrows. Mr. Colborne was impressed with the air view of the bustling community and adjoining agricultural and oil field activities.

Returning to the ground the tour visited the Pembina Pipeline pump station about eight miles east of Drayton Valley and was shown through the installation by Slim White.

They were also shown through the Goliad Buck Creek Gas Plant by Bob Barker and then returned to Drayton Valley where Jack Heyland explained Mobil's automation system.

Following a coffee break, Mr. Colborne left to return to Edmonton at about 6:30 p.m.

Mayor Dr. Henry Shimbashi expressed pleasure at having the minister visit the area, and was impressed with the fact that Mr. Colborne devoted the whole day to the area.

Kangaroo Court

"Judge" Walter Turtiak ties up "prisoner" Irvin Rendflesh who was picked up in Drayton Valley Saturday morning without an Evergreen Rodeo stetson. Pat Berlinguette and a couple of unidentified youngsters await their turn before the judge. The hoosegow, located on the I.G.A. parking lot, did a roaring business Saturday, and before the day was done the Sheriff and his Deputies had a good percentage of the town population wearing the green hats.

LETTERS TO THE EDITOR

The Editor
The Western Review,
Drayton Valley

Dear Sir:

One job for one student for one day from each homeowner and businessman sounds reasonable to expect from the people of Parkland. However, according to Jean Milner, supervisor of the Youth Employment Service, many people just are not responding the way she had anticipated! "There are still 35 young people hoping to find summer work and we just have not got jobs for them," she explains. These jobs can be babysitting, ironing, car washing, gardening, clerking, farm labor, you name it - there is bound to be someone registered to fill it. All you have to do is phone or come in to one of the YES offices.

When you think of the things some young people spend their summer recess doing, it would seem to me that we should be glad to help these young people to do something constructive this summer, and what more pleasant a task for us, since it will ease our work load, or improve the appearance of our property. Also, Jean suggests that these people could do odd jobs while homeowners are on holidays.

Come on, everyone. If you have not done your part yet, give the Youth Employment Service a call today.

Sincerely,

Mrs. Caenie Pyrcz,
Administrative Assistant,
Parkland Regional -

Dear Sir:

The Piranhas Swim Team of Fort Saskatchewan would like to take this opportunity to thank the people of Drayton Valley who billeted a large group of swimmers from our club. We appreciate your kindness and your willingness to assist our team, thus enabling us to attend the swim meet at both Hinton and Drayton Valley.

Our sincere thanks to all, and especially to Mr. and Mrs. A. McKillop and Mr. and Mrs. R. Samis who arranged the billeting and to the staff at the hospital who came to our aid when two members of our club became ill. We congratulate the Drayton Valley Neptune Club on a well organized meet and wish them every success and good luck in the coming Provincial Competitions.

Sincerely Yours,

P.A. Malcolmson, Coach

VACATIONS ARE FOR RELAXING. And here are two things you should do to make sure you get the most out of your trip. First, leave your valuables — will, mortgage, stocks, jewellery — in a Royal Bank Safe Deposit Box.

Second, always travel with Travellers Cheques. They can be used anywhere. And protect you against loss or theft.

TOMAHAWK NEWS

Deepest sympathy of the district is extended to the Koyko family in their loss of husband and father, Mr. John Koyko, who passed away suddenly on July 31st at the age of 76. Mr. Koyko and his wife Caroline came to Canada in 1929 from Poland and have resided in the Tomahawk area ever since. They were blessed with a family of nine children, Stella, Dick, Mary, Betty, Frances, Bertha, Helen, Martha and Wanda. Mr. Koyko, (or John to his many friends), was a real family man, always friendly and willing to assist anyone who needed him, and a very good neighbor. He will be greatly missed by all who knew him.

Mr. and Mrs. C. Shepel accompanied by her daughter and son-in-law Mr. and Mrs. Harvey Rezewski and Mr. John Rezewski have just returned from a week's vacation in B.C.

Mr. John Wedman has just returned from the Royal Alex. hospital where he underwent surgery. His son Ricky and four of his teenage friends from Edmonton came out to help stack the hay crop for John. Pretty nice to have friends like that don't you think.

Miss Janice Shaw of Tomahawk was feted at a shower, given in her honor by Mrs. Alma Shadeck, Mrs. Janina Crawford and Mrs. Evelyn Lukaniuk, on Sunday, August 3rd. There were about 40 ladies present and as the weather was so nice it was held on the front lawn of Mrs. Shadeck's.

The main highlight of the shower was a very unique and carefully planned story of Janice's life, starting with her marriage, her 8 children, and finishing with her old age, rheumatism and all. This was all acted out in pantomine and was exceptionally good with the children going through their parts perfectly. A delicious lunch was served, and a bride's cake beautifully decorated with her name on it, was made by Mrs. Dora Millenbacker. Janice received many lovely gifts and asked me to thank all the ladies who made this shower such a success.

Mr. and Mrs. Bill Lovell and son Bruce from Kindersley, Saskatchewan were recent visitors at the home of Mr. and Mrs. Robert Shepel of Tomahawk.

About 200 people gathered at the Tomahawk Community hall on Thursday, August 7th to see Mr. and Mrs. Ted Warren's films on their travels. Ted, a former Tomahawk boy now living in the States, has travelled extensively all over the world and taken pictures of all his trips. On Thursday night he showed films of Alaska and Australia which were not only interesting but very rare shots. On Monday, August 11th he showed the remainder.

The Tomahawk married ladies league has , under the capable hands of coach Mr. Troudt, come up with the championship. At the beginning of the playoffs they were only in third place, one from the bottom, but after defeating Entwistle twice, and finishing off Seba in two games they emerged the victors. Mr. Troudt, and Mr. Walter Ditchuk, Assistant Coach, certainly deserve a tremendous amount of credit. Of course we must not forget the ladies either, as they played 4 wonderfully hard fought games down to the finish.

Visiting at the home of Mr. and Mrs. Earl Siehls was Irene's sister, Florence and her two children from Vancouver. Florence spent a few days visiting friends in Tomahawk before returning to Vancouver where she is employed at Woodwards Store.

Mr. and Mrs. Jack Warden Jr. and Mr. and Mrs. Earl Siebls motored to Edmonton Wednesday evening to take Lorraine to meet the train, she is going to visit her sister Margaret and family in Welland, Ontario.

Ted and Julie Strocher from B.C. were visiting relatives here this weekend.

Massey-Ferguson challenges big prices for big combines:

MF 410

Only combine in its price range to offer all these advanced design features

The MF 410 Combine, always a leader for value, has been made even better with important design improvements. Now more than ever the MF 410 is the combine to buy for advances like these:

- **New Triple Screen Cascade Shoe** is the first breakthrough in shoe design since invention of the threshing machine. Three screens are used instead of the usual two to prevent matting of material. A 25% larger cleaning area greatly increases grain cleaning ability.
- **New "Returns Cylinder"** is a genuine rasp bar cylinder like the main cylinder; it threshes over 90% of the returns. This independent processing of returns in a separate cylinder allows the main cylinder to always be set for optimum speed and concave clearance.
- **New Front Beater** feeds material smoothly and evenly into the cylinder (optional). Incorporates New Larger Stone Trap that's easy to clean.
- **New Quick-Attach** puts you in the field faster—you can switch from corn head to bean table or back again in five minutes!

Other MF 410 features include Console Control that permits adjustments to be made on-the-go from the driver's seat. Big 73 bu. grain bin (or 105 bu. with extensions). Exclusive Center Balance design puts new efficiency at your command—and greater safety.

Check out these and many other advantages Massey-Ferguson has built into a remarkable combine. You won't be content to settle for less. Especially when you see how little it costs to buy the MF 410's extra capability, convenience, and operator comfort.

LAST CALL FOR HOCKEY CAMP

The Drayton Valley Summer Hockey Camp will get underway a week from Monday, on August 25th, at the Centennial Civic Centre. Registration for the camp has been steady during the past month and presently over 90 boys have registered for the week long instruction in the arts of Canada's National Game.

There still is room for late entries, however, those wishing to take advantage of this marvelous opportunity should get in touch with the local Recreation Office within the next few days.

The camp is under the direction of Clare Drake of University of Alberta fame. The camp instructors will be a carefully selected group of hockey men who wi ll have a great deal to offer our young hockey enthusiasts attending the camp.

This is your last call for the Drayton Valley Summer Hockey Camp, all aboard at the Centennial Civic Centre for the adventure of a lifetime.

FIVE MILE MARATHON

One of the features of the Evergreen Rodeo days will be the five mile foot race. The race will get under way Saturday morning at 11:00 a.m. starting from the traffic light in front of Macleod's Store. The route mapped out for the runners take them southward through the traffic lights on 50th Avenue, out by Sekura Auctions to Highway 57 and along the highway to the entry to town and down to the rodeo grounds. The Centennial Emblem in the West Valley Park is the five mile mark. It is likely however, that the racers will proceed around the race track and finish in front of the grandstands.

This race is a test of endurance as well as athletic competition. The challenge offered is twofold, first to win the marathon and secondly to finish the race within a reasonable time. If interest warrants it the race will be run in three sections. We will have the Open division for everyone entered, the Senior division for those over thirty-five years of age and the Junior class for those under sixteen years of age.

To date interest in this event has not been keen, however, registration for entry is now open at the Recreation Office. Entries will be accepted up till race time on Saturday morning. Trophies will be offered to deserving competitors.

MOON LAKE NEWS

The Moon Lake Community Club is holding a T-Bone Steak Barbeque Supper and Dance on Friday, August 15th in the hall. Supper is from 6 to 8:30 p.m. Come and enjoy a delicious T-bone steak and all that goes with it.

Congratulations to Mr. and Mrs. Lyle Town on the birth of a baby daughter on August 4th, Kerrie Lynn, 6 lbs. 15 ozs. in the Drayton Valley Hospital. Proud grandparents are Mr. and Mrs. Gordon Carnegie and Mr. and Mrs. J. Town of Moon Lake.

Visiting at the home of Mr. and Mrs. Fred Cherrington is their son and family, Mr. and Mrs. Les Cherrington from Calgary.

Jeff Hansen had his cousin Steven Hansen from Edmonton spend a week's vacation at his home.

Mrs. Louise Urkevich accompanied Mr. and Mrs. Bruno Store on a trip to Medicine Hat last weekend where they visited their uncle Mr. Dave Stuckey who is in hospital.

Anchor Construction sponsored a Barbeque Supper and Dance at the Mobuck Ranch for their employees. Mr. and Mrs. Mitchell Lang, Mr. and Mrs. Vancil Swap and Mr. and Mrs. Nick Urkevich were the fortunate ones to attend from here and reported a very enjoyable time. They said they had ribs for snacks and the music was terrific and location was wonderful.

Mr. and Mrs. Walter Marchician and family from Calgary are visiting their parents, Mr. and Mrs. Rudolph Lang and brother Mr. Mike Marchician at Moon Lake. About 20 years ago Walter attended the Tomahawk High School with the rest of us from out here. We didn't catch the school bus in those days but walked, approximately 15 to 20 miles. We had our walkathons every Friday and Sunday. It was good exercise.

Y.E.S. Still Seeks Jobs

The Youth Employment Service is still looking for work for over thirty-five young people who have not found summer employment.

As has been stated before, the goal of the Youth Employment Service is to have every homeowner, property owner, businessman, and organization provide one job for one student for one day. Very few people in this county have provided one job for one student. This seems to show a general lack of interest in our youth, and in our communities.

Help us to reach our goal, ease your work load, and help your youth to spend a more constructive summer. If you have garage or farm work, lawn cutting, cleaning, babysitting, or any other job that needs to be done, contact one of the YES offices: Spruce Grove - Belle and Howe Ltd. office - 489-9697; Stony Plain - Parkland Regional Recreation Office -777-2211; Entwistle - Village Office - 727-3652; Drayton Valley - Recreation Office - 542-3327.

LODGEPOLE NEWS

The Fred Harrington family have moved to Pine Point.

Mrs. R. McGregor and Darcy are spending a week in Lethbridge with daughter Bonnie.

Mr. and Mrs. H. Tuks are spending some time at their campsite at Three Valley Gap near Revelstoke.

Five boys are enjoying ten days of United Church camp at Surprise Lake. They are Doug and Derrek Bolianitz, Jim Hamilton, Mickey Nelson and Darryl Haire.

The Mike Karach family had their two week vacation cut short when their tent was unzipped and their purses stolen during the night. They were at a campsite near the Calgary zoo.

Congratulations to Mr. and Mrs. Lynn Read who were married at Alix, Alberta on July 26th. They are at home at the former Mundorf residence. Mrs. Read will join the teaching staff this fall.

The Pembina river rose rapidly on Wednesday, August 6th to a crest of 19 feet by 1 p.m. It had dropped several feet by evening. This is the highest it has been in 25 years.

D. V. Highlights

BY MRS. EDITH DEBY

TO ALL FLOWER LOVERS AND I DON'T MEAN HIPPIES:

The Women's Institute will be holding its Annual Flower Show in the Elk's Hall on Saturday, August 23rd. Doors will be open for people bringing entrys at 8:30 a.m. If you haven't a prize list contact me at 542-3451 or see any other W.I. member.

Mrs. Arnold Stewart of Quesnel, B.C. accompanied by her son, Jeffrey, and granddaughter, Phyllis Ann Jenner, was a district visitor last week. Mrs. Stewart is the former Miss Sophie Vowk. She grew up at Easyford where her parents still live.

Gordon Pickup is working for the summer with an oil company and will be returning to Camrose Junior College in September for his second year in a course which will give him a degree in Education.

Mr. and Mrs. Anthony King of Meadow Lake, Saskatchewan were here for a few hours last week. Mrs. King is the former Josie Stewart and made many friends when she was on the staff of Dutch and Edith's Beauty Salon.

The Leslie Browns have just returned from one of those delightful "we don't know where we are going -- but we are on our way" vacations. Starting with the Drumheller badlands the Browns made it an all Alberta holiday.

Misses Sheila and Martha Soper of Lytton, B.C. are spending the summer vacation as guests of Mr. and Mrs. Jordahl.

Congratulations to Mr. Lawrence Duperron, Mr. Fred Duckett and their Bantams. This baseball team was the winner in both league and Round Robin play. The final game was played at Tomahawk last Friday and resulted in a win for our boys by a score of 10 to 8. Nice going fellas.

It was with regret that we learned of the sudden passing of Mr. Stanley Cording, of Blue Ridge. Our sympathy is with Mrs. Cording, David, Margaret (Mrs. Leif Stordalsvoll) and Agnes and Mabel.

Mrs. Ted Hutchinson, of Edmonton, spent a few days with her parents, Mr. and Mrs. Fred Duckett.

Mr. and Mrs. H.A. McKellar have had as their guests, Mr. Ansom Garbutt, of Vacaville, California and Mr. Harold Garbutt of Nanton, Alberta. The Messrs. Garbutt are Mrs. McKeller's uncles.

The Davies family of Cochrane were visitors at the Steve Yurchak home and also at the McKellers. Mrs. McKeller and Mrs. Davies are cousins.

Rodeo time is almost here. Next Friday and Saturday are the big days and all concerned are hoping most fervently for sunny skies. Earl Kelly is the capable co-ordinator.

A tremendous amount of work has gone into making the bleachers and corrals among the best to be found anywhere. Dan Gregor is in charge of work at the grounds and can be proud of a job well done. Turn out to the work parties has been good. Rumour has it that a number of wives will be pleased when the rodeo is over and they will be able to re-new acquaintance with husbands who have spent the summer evenings at the rodeo grounds.

A shower will be held in honour of Donna Wilson at the home of Verna Hines at Violet Grove on Tuesday, August 19th at 8:00 p.m. Everyone welcome.

EVANSBURG NEWS

After all the wet weather we have been having, today the very hot sun is trying to make up for the lost time and is it ever working overtime. After a walk up to the Evansview School and back again in order to take some of the children to the dental clinic being held there, the hot weather sure tired the lot of us.

Seen on the way up to the school were the various construction sites going on in the village. The walls of the new Marshall Wells store are taking shape very nicely and the house being built by Mr. and Mrs. Tuttle is most noticeable on that particular street.

Many people are still going, are on, and are just arriving home, from their holidays. In the mail this morning was a card from Mr. and Mrs. F. Schroder stating that they were fine and were in the country of Holland at the time they sent us their regards.

Sorry about missing the news column and items for the last week, but trying to look after all our various livestock and making the odd trip to the city to see how Mr. Bruner is getting along just seems to make the time fly on the double. By the way, Mr. Bruner is progressing, but slowly.

Mr. T. Stephans attended the rodeo at Edson andtook part in the parade with Pedro and Jack.

Visiting at the home of Mrs. Bessie Greaves are her two granddaughters from Calgary. These are Mr. and Mrs. Fred Greave's daughters. Having arrived from a visit to her son in Montreal is Mrs. B. Tucker.

The members of the 4-H Club held their usual monthly meeting ahead of time in order to plan for the 4-H visitors from Wisconsin who will be visiting here for a few days. They also planned to have their field crops tour a bit earlier this year.

Datsun is now the hottest-selling car in British Columbia, outselling all other nameplates, both domestic and imported. Since January of this year, we've sold more than Ford. More than Chevrolet. More than VW. More than the Mustangs, the Cutlasses, the Corvairs and the Camaros.

There must be a reason, and we think we know what it is: Datsun is the RIGHT SIZED car. Big cars are too big, small cars are too small, and Datsun is making automobile history by providing an alternative which is opening a completely new market.

MAGNOLIA NEWS

The rain and hail storm which swept through this area early on the evening of Saturday, August 2nd, dumped about one and one half inches of rain and hail - ranging in diameter from pea size up to one inch across. The hail damage ranges from relatively light to complete loss. Some farmers will not have to worry about combining this fall and many gardens just require a little salad dressing.

On Wednesday, August 6th, Mr. and Mrs. Dave Waddell will fly away by jet from Edmonton to Prestwick airport in Scotland. They will visit over there for about a month and return on September 1st. We wish you a safe trip and a pleasant holiday.

Many local residents had to resort to gas or kerosene lamps or candles while the power was off this past Saturday night.

Mr. and Mrs. Larry Butler with their son and daughter, of Lewiston, Idaho paid a surprise visit to Orris and Dorothy McWillis on Thursday, July 31st. They remained in the community until Saturday, August 2nd, when they left to visit other relations. Mr. and Mrs. Butler are cousins of Orris.

Darryl Webber is also visiting with the McWillises, who are his grandparents.

John and Jenny Bohnet of Calgary are spending the weekend with her parents, Mr. and Mrs. S. Myslicki. Mrs. Bohnet Sr. of Entwistle also spent Sunday at the Myslicki home.

Pete and Don McDougall, John and Phyl Waddell, Margaret Taylor, Janet Waddell and Janet's friend, Helen, travelled to Jasper for the long weekend. They took two campers and a tent to supply accommodations.

Visitors with Mr. and Mrs. Ray Storms on Thursday, July 31st, were Mrs. Sansom with her three children. Yvonne, Audrey and Robert. Mrs. Sansom is a nurse who used to work with the Stony Plain health clinic, but is now employed at Barrhead.

Pat Staples and family of Drayton Valley spent Sunday with Mr. and Mrs. Storms.

Dean and Betty Strangway and boys left on Sunday, August 3rd for Brooks. Dean will be working there for some time.

Miss Wanda Thomeus has secured work with the government in Edmonton.

It is always a pleasure to see former residents visiting in the community. This week, Dorothy June with her daughter Sharon, and two grand-daughters.

Dianne and Carol visited friends and relations during Thursday and Friday. These folks now live in B.C.

Mr. and Mrs. Cecil June motored to Lloydminster over the weekend to attend the 40th anniversary of Velma and John Ringland. Velma and Marie are sisters.

Al and Alma Roth took their young folks, Danny and Coreen, to Edson on Friday, August 1st, to attend the Edson Rodeo. They report wonderful weather and an enjoyable day.

The local ball team played a double header with Sangudo at the Magnolia sports ground. The first game had scores of 7 for Magnolia and 5 for Sangudo. After a 40 minute intermission, the second game was played with two innings of overtime. This time, the score was one for Sangudo and zero for Magnolia. These were both hard-fought games.

The Magnolia Community Hall was gaily decorated with streamers and bells in delicate shades of pink and blue for a miscellaneous bridal shower in honour of Miss Sharon Reich on the afternoon of Saturday, August 2nd. Approximately 45 people came to wish Sharon 'the best' and to enjoy an afternoon of fun and congenial visiting.

Several amusing games were played by all present, following which Sharon was presented with her gifts. The most unusual gift she received was a very stylish hat made by Mrs. Alma Roth. It was fashioned from a metal funnel which was covered with dish cloths. Attached with contrasting ribbon were cookie cutters, measuring spoons, a J-cloth and other assorted and useful items. Gaily peeking from the spout of the funnel was a bouquet of flowers. A red ribbon tied under Sharon's chin to hold the hat in place during the shower. This is one hat which will be long remembered and cherished by Sharon.

The bride-to-be was assisted in opening her many useful and attractive gifts by her sisters, Judy and Linda, and by Miss Lily Sawchuk, a friend. After the items were passed around for all to admire, Sharon very graciously thanked everyone for their gifts and for coming. She also extended thanks to the ladies club for putting on the shower. A dainty lunch was served at tables covered with light green cloths and centered with fragrant bouquets of sweet peas.

The bride's cake was made by Marie June and decorated by Della Storms. It was tastefully iced with blue and pink on a white background. The centre ornament consisted of a Chinese screen with several tiny Chinese lanterns attached. The effect was both attractive and unique.

The twelve ladies at the head table were Mrs. Lookyanewk of Edmonton, the bride's grandmother; Mary Reich, mother of the bride-to-be; Lilly Sawchuk; Evelyn Lukaniuk, an aunt; Alma Reich, an aunt; Gloria Jouan; Brenda Reich; Frieda Reich, an aunt; and the three sisters, Sharon, Judy and Linda Reich.

St. Elizabeth Church Setting for Wedding

A double ring ceremony was solemnized on July 26th when Miss Maureen Louise Fausak, eldest daughter of Mr. and Mrs. Fred Fausak of Park Court exchanged vows with Mr. George Robert Graf , younger son of Mrs. J. Graf and the late Mr. Graf of Regina.

Rev. Dusterhoft performed the ceremony in the St. Elizabeth Parish Church. Baskets of white and yellow mums were on the alter. Mrs. A. Lorenz was the organist.

Entering the church on the arm of her father who gave her in marriage, the bride was lovely in a floor length gown of satin brocade featuring a high neckline long sleeves and straight skirt. The neckline, wrists and hem were appliqued in daisies with a bow accenting the waistline. Her long sweeping nylon tulle veil was held in place by a small band of white roses. Diamond stud ear rings were her only jewellry, a gift from the groom. She carried a basket bouquet of yellow roses and white shasta daisies.

The bridesmaid, Miss Marybelle Fausak, sister of the bride, was attired in a floor-length pale green chiffon gown over peau-de-soie with lace inserts in sleeves and skirt. She wore a matching bow in her hair and carried a basket bouquet of yellow mums and white carnations.

Matron of honor was Mrs. Joyce McCleod wearing a similar dress in pale yellow and also carrying a basket bouquet of yellow mums and white carnations.

Best men were Mr. Dwayne Peterson and Mr. Gordon McLeod. Ushers were Mr. Mark Thompson and Mr. John Fausak, brother of the bride.

The toast to the bride was proposed by her uncle Mr. Kurt Fausak and very fittingly replied to by the groom.

Following the reception a dance was held in the Legion Hall with the Melody Kings orchestra supplying the music. Lunch was served at midnight.

For a honeymoon trip to Winnipeg and the U.S.A., the bride donned a two-piece pant suit in turquoise with pink roses encorsage. The happy couple will make their home in Calgary.

Out of town guests were Mrs. Hilda Minnich of Winnipeg, Mr. and Mrs. Bernard Grant of Spring Valley, Wisconsin, also Mr. and Mrs. Dave Bibeau of Spring Valley; Mr. and Mrs. Don Watson of Calgary, Mr. and Mrs. Bill Boldue of Lamond, Alberta; Mrs. Isobel McPherson of Calgary; Mrs. E. Silk of Red Deer; Mr. and Mrs. Steve Harold and family of Regina, as well as a host of relatives and friends from Edmonton and Edson.

Parade Attraction

History comes to life in towns and cities throughout Alberta as this replica of the famous Concord Stagecoach makes its appearance at fairs, rodeos, and local festivals in the province. The popular stagecoach is a community service project of Sicks' Lethbridge Brewery and is built to the exact specifications of the Concord coaches that carried passengers and mail throughout the early West. The Concord coaches brought a vitally needed passenger and express mail service to the old Whoop-Up Trail from Fort Benton in Montana up through Lethbridge and on to Edmonton. Today it serves a different purpose. The Lethbridge Brewery invites the public not only to see the old Concord Stagecoach but to climb aboard, have photographs taken, and thrill to the days when "horse power" meant horses. The stage will be in Drayton Valley for the Evergreen Rodeo this weekend.

Many of his friends from this area attended the funeral services in Edmonton on Wednesday, July 30

Mr. Buckam was born at Star, Alberta and for a number of years has resided at Fallis Beach in his very attractive home overlooking the lake. Mr. Buckam will be long remembered and greatly missed by his many friends. He was a member of the Gainford Elks Lodge.

Services were conducted in Foster and McGarvey Chapel with Dr. Stanley Scott Officiating. Organist was Mr. W.B. Watson.

BURTONSVILLE NEWS

Sympathy of the neighborhood goes to Mrs. John Koyko of Tomahawk and her family, on the passing of her husband, Mr. John Koyko. Mr. and Mrs. Koyko with their family lived in this area a few years ago.

Don and Pat Tattersall and their wee son of Lodgepole, Theresa who works in Edmonton, Edward and family of Keephills, were all visiting their mother and David on the weekend.

Emil and Jackie Henkel of Edmonton visited June and Cecil Homme and took Brenda home after two weeks holidaying on the farm.

Visitors ar Eldon Greanya's were Leroy Greanya and his two friends of Edmonton. Leroy is working in Edmonton at a lumber mill.

Melvin and Rene Homme of Red Deer brought their baby boy home from Calgary hospital on Wednesday. A little brother for Debbie, his name is Donald William.

The hail in the past week has done extreme damage in the adjoining communities but has missed this area so far. But the heavy rains have flattened grain and hay so good weather will have to continue a few days before haying can be resumed.

What's worrying us is that the government is living not only beyond its own income but also beyond ours.
